

## **COMPUTER PAGE**

The Computer Page handles the process of signing up and assisting library users at the Public Access computers, including troubleshooting as needed.

## **Duties include the following:**

- 1. Signing up and, as needed, checking identification for patrons wishing to use the library's Internet workstations and wireless access, including letting users know when their time is up.
- 2. Assisting patrons with proper and successful usage of the Library Print Release system, including application of monies to account via the Library Payment Center.
- 3. Assisting users by doing simple troubleshooting as needed related to printing, emailing, using browsers and Windows operating system, and connecting to wireless access, Wireless Printing and more.
- 4. Working on other duties as assigned by supervisor, including, but not limited to book pre-processing, material discards, database maintenance projects, hardware maintenance and troubleshooting, or Web page updating.

## **Skills Required:**

- 1. Familiarity with the Windows computing environment, including general knowledge of Windows 7 Pro, Windows 7 Home, Windows 8, Windows XP Pro, Windows Vista, Office 2007 and Office 2013.
- 2. Familiarity with smart phones, tablets, and mobile technologies.
- 3. Understanding of how Internet connections work, including networking, wireless, web browsers, HTML, Flash, Java, Javascript, etc.
- 4. Excellent and engaging communication skills, including ability to adapt to a variety of age groups and experience levels among library computer users.
- 5. Excellent problem solving skills.
- 6. Patient, friendly and approachable demeanor. Works well with others. Good at observing and multi-tasking.

**Hours:** Flexible scheduling with focus to morning/afternoon shifts, 4 to 12 hours each week, including availability on weekends and evenings. This is a part-time position.

Rate of pay: \$8.40 per hour to start

All applicants must be at least 17 years old.
